Q: Can you clarify the submission deadline?

A: Submissions must be received at the address on page 8 of the RFP by 5pm on June 1, 2016. This is not a postmark deadline.

Q: Does the entire state of California is to be researched or just one's own city?

The research deliverables outlined in item A6 of the RFP are expected to be conducted on a statewide level, as this RFP is for the development of the statewide cultural districts program.
