

# Reentry Through the Arts

Up to \$50,000 for arts projects for California's returned citizens

## About the Grant Program

Reentry Through the Arts supports arts and culture programs for adults who have been incarcerated within correctional institutions and reinforces the direct impact that arts and culture have on the health, welfare, and economic well-being of all Californians and their communities. Grants fund projects specifically designed for formerly incarcerated people, utilizing arts participation as an effective instrument for rehabilitation, healing, and skill-building.

By focusing on the principles of restorative justice, transformative justice, and reconciliation, Reentry through the Arts elevates projects that utilize arts and culture as part of a holistic approach to supporting the successful transition of the reentry community back into their communities.
