

**California Arts Council
2022 (Final Round/Cycle C) Cultural Pathways – Technical Assistance
Program Description**

The **Cultural Pathways-Technical Assistance program** is rooted in the CAC’s commitment to serving the needs of an increasingly demographically complex California, and the belief that a healthy arts ecosystem reflects contributions from all of California’s diverse populations.

The purpose of the Cultural Pathways-Technical Assistance program is to strengthen the capacity of 2022 Cultural Pathways grantee organizations that are rooted in historically and systemically under-resourced communities and to anchor the cultural and creative work of these organizations into the cultural landscape of the state.
