Office Hours

8:00 AM - 5:00 PM

Monday through Friday

Purpose: The California Arts Council (CAC), a state agency, was established in January 1976 to encourage artistic awareness, participation, and expression; to help independent local groups develop their own arts programs; to promote employment of artists and those skilled in crafts in the public and private sector; and to enlist the aid of all state agencies in the task of ensuring the fullest expression of our artistic potential.

The Council: The appointed Council of the CAC consists of 11 members who serve staggered terms. The Governor appoints nine members, the assembly Speaker appoints one member, and the Senate President pro Tempore appoints one member. Council members serve without salary, elect their own officers, and meet throughout the state to encourage public attendance. This body sets policy and has final approval of CAC grants.

Mission: Advancing California through the arts and creativity.

Vision: The CAC envisions a California where the lives of all Californians are enriched by access to and participation in a diverse spectrum of arts and cultural experiences and the arts ecosystem reflects contributions from all of California's diverse populations.

Funding: The CAC is a state agency, funded from the state's annual budget process and proceeds from the California Arts License Plate and the Keep Arts in Schools tax return voluntary contribution fund, supplemented by funds from the National Endowment for the Arts. Its grants are usually matched by foundations, individuals, earned income, government agencies, or other organizations.

Information Access: Due to the Public Records and Open Meeting Acts, applications and their attachments are not confidential and may be requested by the media and/or public. Meeting dates and locations are posted at www.arts.ca.gov. Observers may attend but may not participate in, or in any way interfere with, Council meetings. Each meeting provides a designated time for public comment, although comments may be time-limited.

Grant Process: Applications are evaluated by panels of experts, recognized in their respective fields, who rank applications according to program criteria. The CAC staff provides information but not recommendations to the panel. The Council reviews panel recommendations before making final funding decisions. CAC staff is responsible for grant contract administration after Council approval. In dire or unexpected circumstances, CAC reserves the right to make exceptions to any policy or procedure on a case-by-case basis.

Requirements: The CAC is mandated both by federal and state regulations to fund only organizations that have proof of nonprofit status under sec. 501(c)(3) of the Internal Revenue Code (Fiscal Receivers are eligible in some programs), or under sec. 23701d of the California Revenue and Taxations Code, or entities that are a unit of government; and that comply with the Civil Rights Acts of 1964, as amended; sec. 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975; the Drug-Free Workplace Act of 1988; California Government Code secs. 11135-11139.5 (barring discrimination); the Fair Labor Standards Act, as defined by the Secretary of Labor in part 505 of title 29 of the Code of Federal Regulation; the Americans With Disabilities Act of 1990 ("ADA"); the Fair Employment and Housing Act; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

Ownership, Copyrights, Royalties, Credit: The CAC does not claim ownership, copyrights, royalties, or other claim to artwork produced as a result of a CAC grant. However, the CAC reserves the right to reproduce and use such material for official, noncommercial purpose, including, but not limited to use on the CAC website, social media and print materials. In addition, the CAC requires documentation of grants activity, and appropriate credit for CAC partial support.

2020-21 GRANT GUIDELINES

DEADLINE: November 15, 2019 11:59 PM

Apply at calartscouncil.smartsimple.com

Up to \$20,000

Grant Activity Period: July 1, 2020 – June 30, 2021

Background and Purpose

Since 1976, the CAC has supported arts education programs that bring together local arts organizations, teaching artists, and school communities through its grants. The CAC's arts education grant programs are rooted in the agency's belief that robust, sequential, culturally and linguistically responsive arts learning is an essential tool for healthy human development, and that it should be a core element of the education of every student. The overarching purpose of our arts education grant programs is to expand participation in meaningful arts learning opportunities by supporting these activities in a diversity of settings and contexts for infants, children, and youth.

The **Artists in Schools** program supports projects that integrate community arts partners into culturally and linguistically responsive, sequential, standards-based arts learning for students in **preschool through Grade 12 as part of the regular school day, and that address the unique circumstances of the school environment.** (For outside-of-school program support, please see the [Youth Arts Action](#) Guidelines.)

The intent of this program is to augment and enhance the work of classroom teachers and school-based arts programs by bringing arts resources from within the local community into the school culture, not to supplant credentialed arts teachers. Artists in Schools projects focus on hands-on participant learning that takes place over a **sustained period of time** (typically a minimum of 10 class sessions) with an identified group(s) of students.

Program Goals

Projects should address the following Artists in Schools program goals:

- Increase student access to and participation in school-based arts education as part of coordinated efforts with school site leaders, district staff, and county Offices of Education.
- Develop the artistic abilities of students through sequential, hands-on arts learning.
- Promote life skills such as critical thinking, problem solving, collaboration and positive self-expression through the arts.
- Promote students' positive social and emotional development through reflection and creative practice.

- Promote culturally and linguistically responsive learning through the arts, using cultural knowledge to support the cultural assets of the local community and students' positive self-identification and respect for diverse cultures.
- Develop long-term, mutually beneficial relationships between arts and educational organizations, teaching artists, and the youth and families in the communities they serve.

Project Requirements

- The applicant must develop and complete a project addressing the program's purpose by June 30, 2021.
- All activities to be funded by the CAC must occur within the Grant Activity Period (see [Timeline](#)).
- The project must be designed and developed in partnership between an arts organization and the school sites to be served. The project should demonstrate significant planning that reflects a collaborative relationship between the arts organization and the school, and between the participating teaching artists and classroom teachers. Exemplary proposals will demonstrate the role the project plays in a larger district and/or countywide Strategic Arts Plan.
- Professional fees for artists must be included. Rates of compensation for individual artists and/or arts workers to be supported by this grant must be appropriate to experience and comparable to fees for other local skilled workers.
 - An external informational resource regarding teaching artist rates of pay can be found at <https://teachingartistsguild.org/pay-rate-calculator>. *Note: This link is provided for informational purposes only and does not necessarily represent the views and opinions of the CAC.*
- The project must enable students to understand and participate in specific art forms and to develop their creativity, skills, and knowledge. The applicant should present well-developed project goals, learning objectives, activities, and assessment tools.
- The project should be of sufficient frequency and duration to foster sequential learning. The project must include sustained contact between the teaching artist(s) and the students over a period of time determined by the needs of the students and the parameters of the project. This could mean intensive daily interaction over the course of one to two weeks, weekly interaction over months, or other regular interaction over a period of time. **A minimum of 10 sessions** is highly recommended unless each session will last more than two hours. A larger group of students may also participate in arts exposure activities which are less structured, non-sequential or more limited, as long as arts engagement activities are maintained for the core group.
- Project activities should explicitly align with California Visual and Performing Arts or Media Arts standards, and may also align with Common Core standards.
- The CAC highly recommends that applicants also consult Creative Youth Development frameworks.
- All aspects of the program must be free of charge to students.
- If proposing therapeutic outcomes, applicants must establish the qualifications of service providers, how strategies are appropriate to the clinical and/or community arts setting, and how support is culturally responsive to participants.

- Project design and implementation must reflect a commitment to include and represent the communities to be served.
- All CAC-funded programs, services, information, and facilities where funded activities take place must for individuals with disabilities, including but not limited to individuals who are deaf, hard of hearing, deaf-blind, have difficulty speaking, have a physical disability, visual disability, developmental disability, learning disability, mental illness or chronic illness. Please see [Page 3: Requirements](#) for more information.

Eligible Request Amounts

- Applicant organizations can request up to \$20,000.
- The total request for funding in this grant program cannot exceed 50% of an organization's total operating revenue from the most recently completed fiscal year, as provided on the Budget Snapshot at the time of application.

Eligibility

- Applicants must be either a California-based nonprofit arts organization, arts-based unit of municipal or county government, or tribal government.
- All applicants must have a minimum two-year history of consistent engagement in arts programming and/or services prior to the application deadline.
- All applicant organizations must have a principal place of business in California.
- Applicant organizations must demonstrate proof of nonprofit status under section 501(c)(3) of the Internal Revenue Code, or section 23701d of the California Revenue and Taxation Code, or must be a unit of government, including California Native American or Indigenous tribal governments.
 - **Fiscal Sponsors:** An applicant without nonprofit status may use a California-based Fiscal Sponsor with a federal 501(c)(3) designation to conduct work on a not-for-profit project. The Fiscal Sponsor will provide the fiscal and administrative services needed to complete the grant. **If a grant is awarded, the Fiscal Sponsor becomes the legal contractor.** The Fiscal Sponsor must also demonstrate consistent arts services or programming in California for a minimum of two years prior to the application deadline. See additional information on the use of [CAC Fiscal Sponsors](#).
 - Applicants using Fiscal Sponsors must submit all required materials for the Fiscal Sponsor at the time of application.
- All applicants must submit all required application materials and information at the time of submission. Incomplete applications are ineligible and will not be reviewed by the panel. Please see Application Instructions for all required materials and information.
 - The submission of an SMU DataArts Funder Report is not required for this program. However, applicants must provide a minimum of two and up to three years of basic financial information via the Budget Snapshot within the application.

California Secretary of State Certificate of Status

Nonprofit organizations must have “active status” with the California Secretary of State (SOS) showing evidence of “good standing” at the time of application.

You can verify your organization’s status by conducting a search using the SOS online [Business Search](#) tool. An indication of “active” (versus “suspended,” “dissolved,” “cancelled,” etc.) confirms that your nonprofit corporation exists, is authorized to conduct business in the State of California, has met all licensing and corporation requirements, and has not received a suspension from the Franchise Tax Board.

Funding Restrictions

- The **total of all requests for CAC support during the same year of funding** cannot exceed 50% of an organization’s total operating revenue from the most recently completed fiscal year, as reported in the Budget Snapshot at the time of application.
- Applicants to this program are not restricted from applying for and receiving additional CAC program grants as long as those funds are used for different projects and purposes. To meet this criterion, applicants must demonstrate that projects:
 - Serve primarily different groups of people
 - Take place in different spaces, times, and/or contexts
 - Achieve fundamentally distinct programmatic outcomes

Matching Funds

All grant recipients must provide a 1:1 match for this grant. If applying for multiple CAC grants in a single fiscal year, distinct matching funds must be identified within each application. State funds cannot be used to meet the match. The status of each source must be specified as either projected, pending, or committed.

The matching funds requirement may be met entirely through cash match sources, or by applying the value of in-kind sources for up to 50% of the match.

Cash match sources include corporate or private contributions; municipal, county, or federal government funding; or earned income, while **in-kind match** refers to goods or services rather than currency, and for which monetary value can be determined. The use of in-kind contributions to meet the CAC matching funds requirement acknowledges that some organizations may not have the financial capability to provide a 1:1 cash match but can demonstrate the capacity to carry out the activities in the grant application through other sources.

If utilizing the value of in-kind support to meet the match, keep in the mind the following:

- **In-kind contributions may only be provided by third parties.**
- A third party is defined as a service provider, partner, or supplier that is independent of the applicant organization and the CAC and is not compensated through grant funds.

- In-kind contributions may be in the form of space; pro bono consultancy, training or services; supplies; and other expendable property that are given free of charge to the organizations.
- In-kind contributions by state entities are ineligible.
- In-kind contributions must be reflected as an expense in the grant application budget.

Applicants to this program must also accurately document and report in-kind contributions in the submitted DataArts Funder Report. See additional information on [CAC In-kind Contributions](#). If you have questions about in-kind contribution documentation or eligibility, please contact the designated staff (see [Staff Assistance](#)).

Review Criteria

A review panel will evaluate applications based on the following criteria:

- **Project Design and Implementation:** Project design indicates realistic timeline, appropriate budget, clear artistic and community-based objectives, and achievable goals. Design includes methods to evaluate and measure success, collect and analyze data, and document activities. Design demonstrates depth of participant involvement and clear plans for community outreach and marketing.
- **Artistic Merit:** California artists are involved at every stage of the project design and execution and demonstrate skills, expertise, and experiences that are central to the goals of the project and program.
- **Community Impact:** Project demonstrates reach and/or depth of engagement in a specific school community(ies). Project is responsive to the community to be served. Project development, execution, and evaluation involve significant collaboration with the school site(s) and local school district in accordance with the identified program goals and project requirements.
- **Management and Leadership:** Ability of applicant organization to implement proposed project is clearly demonstrated by qualifications of project's team, viability of project budget, and overall fiscal and managerial health of applicant and partnering organizations.
- **Equity and Accessibility:** Proposal reflects fair practices to accessing resources and the inclusion of the communities to be served in the representation, participation, and creation of services and programs. Proposal reflects evidence that CAC-funded programs, services, information, and facilities where funded activities are to take place will be accessible for individuals with disabilities, including but not limited to individuals who are deaf, hard of hearing, deaf-blind, have difficulty speaking, have a physical disability, visual disability, developmental disability, learning disability, mental illness or chronic illness.

Panel Adjudication and Ranking Scale

Panelists review applications and work samples using the 6-point ranking scale below.

	Rank Title	Rank Description

5	Strong	Strongly achieves the purpose of the program <i>Meets all of the review criteria and project requirements to a significant degree</i>
4	Good	Sufficiently achieves the purpose of the program <i>Meets all of the review criteria and project requirements to some degree</i>
3	Fair	Moderately achieves the purpose of the program <i>Meets most of the review criteria and project requirements</i>
2	Marginal	Minimally achieves the purpose of the program <i>Meets some of the review criteria and project requirements</i>
1	Weak	Does not achieve the purpose of the program; proposals that are not appropriate for this grant category <i>Inadequately meets the review criteria or project requirements</i>
