A. Optional Feedback Survey

The CAC is committed to the continued assessment of program materials and processes to reflect equitable practices, clarity, and accessibility. To that end, anyone reading this RFP is highly encouraged to complete a survey about this RFP, including those who choose not to submit a proposal.

All responses to the survey will remain anonymous and will not impact a submitted proposal. The survey will take no more than 10 minutes to complete. To access the survey, [click here](#).

B. Purpose, Background and Scope of Work/Deliverables

1. Purpose

The California Arts Council (CAC) is dedicated to caring for our community. We recognize that the CAC staff, as individuals, are part of that community. This project has been conceptualized as a vehicle to stimulate dialogue in our own community, thus operationalizing [our values](#).

CAC staff have expressed a number of ongoing concerns around workplace culture. These concerns include transparency and inclusivity in communications, decision-making, and policy implementation; changing conditions related to telework; and interpersonal accountability. Staff morale and relationships are impacted by these experiences.

The agency is seeking a qualified consultant or consultant team (consultant) to facilitate individual and group mediation of these concerns and develop new ways of working that: (1) acknowledges past harms (internal to staff and external to stakeholders/grantees); (2) fosters ways of working centered on transparent and compassionate communications; (3) supports collective and individual accountability; (4) builds and repairs relationships between CAC colleagues; (5) operationalizes agency values, (6) builds community; and, (7) cultivates a healthy work environment and organizational culture.

The effective consultant will not only demonstrate expertise in transformative leadership, change management and organizational culture shift, but also in the principles of restorative justice, trauma-informed/healing-centered management, generative somatics, white supremacy culture dynamics, racial equity, creative practice, bias, belonging, and diversity. The consultant will be expected to prioritize the psychological safety of all CAC staff.

The contractor will be engaged for a period of approximately 6 months beginning April 28, 2021 and concluding October 31, 2021. The contractor will work independently under the general direction of CAC staff. Please note that,

because all CAC staff will be participating in the staff work sessions, the contractor will be solely responsible for developing and implementing project activities based on all-staff feedback with limited direct oversight.

The CAC reserves the right to extend the contract on a prorated basis if the project requires additional work beyond the 6-month contract period. The extension shall be by mutual agreement between the Contractor and the State. Any extension, terms, conditions and prices shall be by mutual agreement between the Contractor and the CAC. If a mutual agreement cannot be met, the contract may be terminated at the end of the initial contract term (October 31, 2021).

2. Proposal Components

To be considered, a Proposer must submit a complete proposal. In addition to the **required checklist (Attachment 1)**, below are the required elements of a complete proposal. Do not bind or staple your proposal. Paper clips and binder clips are acceptable.

A proposal lacking the Proposer's name, address, email address, telephone number and/or any required document may be deemed non-responsive. The proposal must have a header that includes the following: (1) name of the proposing entity; and (2) page numbers that include total pages (e.g., Page 1 of 10).

- a) **Proposal / Proposer Certification Sheet:** Complete and attach the Proposal/Proposer Certification Sheet .
- b) **Bidder Declaration:** Complete and attach the Bidder Declaration.
- c) **Summary Letter:** Include a summary letter to introduce the responding Proposer(s). Provide a brief individual or organization history, a statement of your values and how they inform your approach, and a summary of related projects. Please clearly and succinctly demonstrate the individual or organization's ability to meet the requirements of this RFP. **The evaluation committee should be able to determine the essence of the proposal and how well it meets the requirements by reading this summary.**
- d) **Demonstration of Minimum Requirements:** Provide a complete response to the Demonstration of Minimum Requirements.
- e) **Project Approach:** Provide a detailed description of how you would approach this project. Your response should demonstrate why you are the best qualified contractor for the project. The project approach should address the scope of work outlined in Section B Item 5.

- f) **Project Personnel:** Include detailed biography(s) of all individual(s) on the project team.
- g) **Partnership Agreement Letter:** If your proposal includes a partnership between two or more individuals and/or organizations, submit a signed Letter of Agreement from all partners' leadership confirming their intention to work together. The letter should outline the specific roles and responsibilities of each partner.
- h) **Cost Proposal Worksheet:** List all Proposer fees and direct costs for the completion of the project, according to this RFP. Travel-related expenses are part of the contract and cannot be billed as extras beyond the contract bid. Proposals should reflect these expected expenses accordingly.
- i) **Proposer References:** Submit names, addresses, telephone numbers, and email addresses of three clients for whom the Proposer has provided comparable services and activities as referenced in this RFP. The CAC may check these references. Please verify that all contact information is up to date.
- j) **Acceptance of Terms and Conditions:** Check the appropriate box and sign the Acceptance of Terms and Conditions (Attachment 11).

If you mark the second box (Proposer proposes exceptions or changes to Terms and Conditions), the required additional materials must be provided. An "exception" includes any addition, deletion, or other modification.

If exceptions are identified, you must also submit (1) a red-lined version of the Terms and Conditions that implements all proposed changes, and (2) a written explanation or rationale for each exception and/or proposed change.

3. Background - About the California Arts Council

The California Arts Council is a state agency with a mission of strengthening arts, culture, and creative expression as the tools to cultivate a better California for all. It supports local arts infrastructure and programming statewide through grants, initiatives, and services. The California Arts Council envisions a California where all people flourish with universal access to and participation in the arts.

Funding for the agency comes primarily from the California State General Fund at the direction of the Governor and the State Legislature. The CAC also receives

funds from the National Endowment for the Arts, the Arts License Plate initiative, and the Keep Arts in Schools voluntary tax contribution fund.

The CAC's current mission, vision, and values can be viewed at <https://arts.ca.gov/about/about-us/>.

4. Background - About the Project

We suggest all Proposers read this section of the RFP carefully and completely to understand the context of the project.

The CAC's state budget was reduced by more than 90% in 2003, with wide-reaching implications. In 2013, the agency hired its first staff member in eight years, and in 2014 hired the first new programs staff in a decade. Since then, the agency experienced a large number of retirements by long-standing staff and additional staff turnover, leading to a significant shift in institutional knowledge.

The past three years have been a period of growth and changes in staff dynamics. In a relatively short amount of time, the total number of staff increased from 14 to 30. In late-2017, the Executive Director position transitioned from a direct hire by Council to an appointment by the Governor. A new Executive Director was appointed following a year of the Deputy Director acting as Interim Director.

This growth coincided with an increase in General Fund allocations which allowed the agency to fund more grant awards. As grant funding increased, the number of staff needed to support the growth in grants and field services did not increase proportionally. During this time, several supervisory changes took place through 2018-2020, including interim leadership and a new supervisory structure.

The CAC has participated in the [Government Alliance on Racial Equity](#) (GARE) since 2018, along with 16 other California state agencies and departments. In that time, the agency has worked diligently to place racial equity at the center of its work. The agency developed a [Racial Equity Statement](#), as well as Racial Equity Action Plan. The CAC recognizes that white supremacy culture is pervasive and sometimes difficult to see. The agency recognize that the pursuit of racial justice is a journey that inevitably includes uncovering and addressing obstacles.

Like many workplaces, the CAC was deeply impacted by COVID-19. In March, staff quickly transitioned to teleworking 99% of the time, disrupting in-person work relationships and reinforcing workplace silos. Several new staff, including managers, have been onboarded in the new remote environment. All California State Agency staff also experienced a salary reduction due to the pandemic.

A [Strategic Framework](#) and a decision-making tool, rooted in racial equity, was adopted in February 2020, one month before the pandemic disrupted its implementation. Grant policies implemented by CAC staff are established by an appointed Council body. The structure and ways of working between staff and the appointed Council has changed over the years, with an impact to the organization.

During the pandemic, staff have continued to leave the agency, both for promotional opportunities and for reasons directly related to a challenging workplace environment.

A level of unattended concerns have accumulated, and it is with staff participation that outside facilitation is sought to address these concerns and craft a pathway forward together.

5. Scope of Work/Deliverables

The contract period is April 28, 2021 to October 31, 2021 (6 months). All print materials resulting from or used during the project must be visually accessible to all staff, and public presentations and events must be accessible to individuals with disabilities.

The selected consultant will implement a staff engagement process from April 28, 2021 through October 31, 2021 with final recommendations and agreements issued by October 14, 2021.

Consultant will provide a written document that outlines the consultant’s plan to engage current staff and newly hired staff according to the goals and objectives of the project.

At the time of proposal opening, each proposal will be checked for the presence or absence of required information in conformance with the submission requirements of this RFP.

Proposals that contain false or misleading statements, or which provide references which do not support an attribute or condition claimed by the Proposer, may be rejected.

Award, if made, will be to the highest-scored responsible and responsive proposal.

6. Proposal Evaluation

Due to the specific experience needed in order to fulfill the RFP, the point system set to evaluate proposals is defined in this RFP and follows Public Code Contract process methodology.

The initial review of the proposals will confirm that all information has been submitted in conformity with the requirements of this RFP. The absence of required information will cause a proposal to be deemed nonresponsive and may result in the proposal's disqualification. Responsive proposals will then be scored according to the criteria and point scale included in Appendix 2: Proposal Scoring Rubric.

Read Appendix 2: Proposal Scoring Rubric carefully to fully understand how proposals will be reviewed and scored.

Cost of Proposal

The total costs of all tasks of this RFP, including advertising and marketing expenditures, cannot exceed **\$60,000** total. Use the Cost Proposal Worksheet (Attachment 9) as a guide in preparing your cost proposal.

The highest score for this criterion is given to the proposer with the lowest overall bid. Scores for other proposers are given by standard formula in relationship to the lowest bid submitted:

(Lowest Proposer's Cost / Other Proposal) X maximum cost points = cost points for the Other Proposal

After the review and scoring of proposals, the Review Committee may elect to interview the top three (3) candidates, based on scores and ranks that are 75% or above the total scoring points (see Appendix 2: Proposal Scoring Rubric). If interviews are conducted, responses to interview questions will be assessed and scored according to the review criteria listed in Appendix 3: Interview Scoring Rubric.

7. Award and Protests

- a) Notice of the proposed award shall be posted on [our website](#) and in a public place in the office of the CAC; 1300 I Street, Suite 930;

Sacramento, CA 95814, for five (5) working days prior to awarding the agreement.

- b) If any Proposer believes that this RFP unnecessarily restricts their ability to submit a responsive proposal, the Proposer can submit a protest by the date listed in the Key Action Dates section (page 10).
- c) All protests must be made in writing and must contain a statement of the reason for protest, citing the law, rule, regulation, or procedures on which the protest is based. The protester must provide facts and evidence to support the claim. Protests must be sent to BOTH the Department of General Services (DGS), Office of Legal Services, 707 Third Street, 7th Floor, Suite 7-330, West Sacramento, CA 95605 AND the California Arts Council, Attention: Deputy Director, 1300 I Street, Suite 930, Sacramento, CA 95814.
- d) Failure by any Proposer to raise any concern related to the solicitation requirements or a failure of a referenced Internet link by the relevant Key Action Date will be deemed a waiver of any claim regarding the contract award relating to the solicitation requirements.
- e) If any Proposer, prior to the award of agreement, files a protest with the CAC and the Department of General Services (DGS), Office of Legal Services (OLS), 707 Third Street, 7th Floor, Suite 7-330, West Sacramento, CA 95605, on the grounds that the (protesting) Proposer would have been awarded the contract had the agency correctly applied the evaluation standard in the RFP, or if the agency followed the evaluation and scoring methods in the RFP, the agreement shall not be awarded until either the protest has been withdrawn or DGS has decided the matter. It is suggested that you submit any protest by certified or registered mail.
- f) Within five days after filing the initial protest, the protesting Proposer shall file with the DGS, OLS, and CAC a detailed statement specifying the grounds for the protest. If a protest is filed, this contract will be awarded upon resolution.

8. Disposition of Proposals

- a) Upon proposal opening, all documents submitted in response to this RFP will become the property of the State of California and will be regarded as public records under the California Public Records Act (Government Code Section 6250 et seq.) and subject to review by the public.
- b) Proposal packages may be returned only at the Proposer's expense, unless such expense is waived by the awarding agency.

9. Agreement Execution and Performance

- a) Performance shall start on a date set by the awarding agency and the Contractor, after all approvals have been obtained and the agreement is fully executed. Should the Contractor fail to commence work at the agreed upon time, the awarding agency, upon five (5) days written notice to the Contractor, reserves the right to terminate the agreement. In addition, the Contractor shall be liable to the State for the difference between Contractor's proposal price and the actual cost of performing work by another contractor.
- b) All performance under the agreement shall be completed on or before the termination date of the agreement.

G. Additional Provisions

The following provisions are applicable to this RFP and are made available to the Proposer in this RFP.

1. Budget Contingency Clause - State

- a) It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.
- b) If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an agreement amendment to Contractor to reflect the reduced amount.

2. Budget Contingency Clause - Federal

- a) It is mutually understood between the parties that this contract may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if the contract were executed after that determination was made.
- b) This contract is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the fiscal year 2018/19 for the purpose of this program. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this contract in any manner.
- c) The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this contract shall be amended to reflect any reduction in funds.
- d) The department has the option to invalidate the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction in funds.

3. Operating Hours

Normal CAC operating hours are 8 a.m. to 5 p.m. Monday through Friday. Specific work hours of the Contractor are flexible, although meetings will take place during regular business hours.

4. Cultural Competence

- a) The Contractor shall operate a culturally competent program. Cultural competence refers to the process by which individuals and systems respond respectfully and effectively to people of all cultures, languages, classes, races, ethnic backgrounds, disabilities, religions, genders, sexual orientation, and other diversity factors in a manner that recognizes, affirms, and values the worth of individuals, families, and communities, and protects and preserves the dignity of each.
- b) There are five essential elements that contribute to a system's ability to become more culturally competent. The system should (1) value diversity, (2) have the capacity for cultural self-assessment, (3) be conscious of the dynamics inherent when cultures interact, (4) institutionalize cultural knowledge, and (5) develop programs and services that reflect an understanding of diversity between and within cultures. These five elements shall be manifested in every level of the service delivery system. They shall be reflected in attitudes, structures, policies, and services.

5. Intellectual Property Considerations

- a) The collective work created under this contract shall be considered a work for hire.
- b) Contractor shall acquire and transfer to the CAC in written form all necessary rights and permissions for ideas and/or images use without restriction.

6. Disputes Resolution

- a) The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, Contractor shall submit to the Department Director or designee a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to or involving this Contract, unless the State, on its own initiative, has already rendered such a final decision. Contractor's written demand shall be fully supported by factual information, and if such demand involves a cost adjustment to the Contract, Contractor shall include with the demand a written statement signed by an authorized person indicating that the demand is made in good faith, that the supporting data are accurate and complete and that the amount requested accurately reflects

the Contract adjustment for which Contractor believes the State is liable. If the Contractor is not satisfied with the decision of the Department Director or designee, the Contractor may appeal the decision to the Department of General Services, Deputy Director, Procurement Division. In the event that this Contract is for Information Technology Goods and/or services, the decision may be appealed to an Executive Committee of State and Contractor personnel.

- b) Pending the final resolution of any dispute arising under, related to or involving this Contract, Contractor agrees to diligently proceed with the performance of this Contract, including the delivery of Goods or providing of services in accordance with the State's instructions. Contractor's failure to diligently proceed in accordance with the State's instructions shall be considered a material breach of this Contract.
- c) Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Department Director or designee if an appeal was made. If the State fails to render a final decision within 90 days after receipt of Contractor's demand, it shall be deemed a final decision adverse to Contractor's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless Contractor commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

7. Amendments

No amendment or variation of the terms of this agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties.

- d) Upon filing an unsatisfactory evaluation with DGS/OLS, the State agency shall notify and send a copy of the evaluation to the Contractor within 15 days. The Contractor shall have 30 days to submit a written response to the evaluation to the agency in the department under the contract and to send it to the awarding agency and the department. The Contractor's response shall be filed with the evaluation in the agency's separate contract file and in DGS/OLS files.
- e) The evaluations and Contractor responses on file with the agencies and DGS/OLS are not public records. They should be maintained in a separate file.

Appendix 1: Glossary of Terms

All terms defined here are defined within the context of this RFP.

Accountability: We build off of Mia Mingus' work in the article [Dreaming Accountability](#). Accountability is not a destination, it is a skill we can build and practice. It is an art, a craft, an alchemy we can learn how to wield, just as we have learned how to wield hurt and shame and fear. If accountability is a skill we value, then we must make room and make commitments to practice it ourselves each day, each week, each year."

Belonging: We build off of John a. Powell's thinking on belonging: "In a legitimate democracy, belonging means that your well-being is considered and your ability to help design and give meaning to its structures and institutions is realized. Members are more than just individuals; they also have collective power and share a linked fate." john a. powell [Policy Matters: Poverty and Race through a belongingness lens](#)

Change Management: A central idea of all change management theories is that no change ever happens in isolation. In one way or another, change impacts the whole organization and all of the people in it. But with good change management, you can encourage everyone to adapt to and embrace your new way of working. [The Four Principles of Change Management: How to Support Change in Your Organization](#)

Discovery Period: The first phase of this project includes activities to build the consultant's understanding of the current and past context of the organization culture. This understanding will provide the foundation for the project plan.

Diversity: The demographic mix of a specific collection of people, taking into account elements of human difference, but focusing particularly on race and ethnicity, lesbian, gay, bi, trans, and queer (LGBTQ) populations, people with disabilities, and women. Source: [LA County Department of Arts and Culture](#)

Generative somatics: Somatics is a practice-able theory of change that can move us toward individual, community, and collective liberation through working to embody transformation. Somatics with a social analysis understands the need for deep personal transformation, aligned with liberatory community/collective practices, connected to transformative systemic change. They are inextricable and support each other. Source: [Generative Somatics](#)

Mediation: Mediation offers constructive processes for resolving differences and conflicts between individuals, groups and organizations. Participants control the process and create their own alternatives to avoidance, destructive confrontation, prolonged litigation or violence. This process offers participants an opportunity to discuss their concerns and needs. It also strengthens relationships, builds connections between

people and groups, and creates processes that make communities work for everyone.

Organization Culture: Culture is consistent, observable patterns of behavior in organizations. Aristotle said, “We are what we repeatedly do.”...Culture is a social control system. Here the focus is the role of culture in promoting and reinforcing “right” thinking and behaving, and sanctioning “wrong” thinking and behaving. Key in this definition of culture is the idea of behavioral “norms” that must be upheld, and associated social sanctions that are imposed on those who don’t “stay within the lines.”

Psychological Safety: Psychological safety is a belief that one will not be punished or humiliated for speaking up with ideas, questions, concerns or mistakes. Source: Amy Edmondson, Harvard Business School Professor

Racial Equity: Racial equity is the condition that would be achieved if one’s racial identity no longer predicted, in a statistical sense, how one fares. When we use the term, we are thinking about racial equity as one part of racial justice, and thus we also include work to address root causes of inequities, not just their manifestation. This includes elimination of policies, practices, attitudes and cultural messages that reinforce differential outcomes by race or fail to eliminate them. Reconciliation: Pulling from the practices of various truth and healing commissions to address the harms committed against African Americans and Native Americans in this country, we understand reconciliation as documenting and giving light to the impacts of harm and then creating updated narratives, practices, and policies that support the restoration and transformation of relationships.

Restorative Justice: We understand that restorative justice practices emerge from new paradigms to the prison pipeline; although we are not dealing with harms at this level, we strive to learn from the dialogical and community accountability process embedded in restorative justice.

“Restorative Justice is a theory of justice that emphasizes repairing the harm caused by criminal behavior. It is best accomplished through cooperative processes that allow all willing stakeholders to meet, although other approaches are available when that is impossible. This can lead to transformation of people, relationships and communities.definition.” “Notice three big ideas: (1) repair: crime causes harm and justice requires repairing that harm; (2) encounter: the best way to determine how to do that is to have the parties decide together; and (3) transformation: this can cause fundamental changes in people, relationships and communities.” Source: [What is Restorative Justice?](#)

Theory of Change: A Theory of change is the explicit (written or visual) thinking behind how a particular intervention will bring about the desired results.

Transparent Communications: The simplest definition of a transparent workplace is "operating in a way that creates openness between managers and employees." Source: [Glassdoor](#)

Trauma-Informed Management/Healing: Trauma-informed practice rests on awareness of the impacts of trauma, and of the many ways in which existing processes and systems need to be modified to meet this reality. We understand that trauma is more prevalent than is widely recognised. The agency is new to trauma-informed management practices and healing and look forward to learning more together.
