

2021 Jump (JMP) Grant Listings

The **JUMP StArts** program supports arts and culture education, apprenticeship and or mentorship via artists-in-residence programs for at-risk youth and young people through the age of 24. Activities may take place during or outside of traditional school hours in state- or county-operated correctional facilities; public settings; online; and in arts and culture venues, community centers, school sites, youth centers, and intergenerational settings.

Projects should prioritize system-engaged youth or youth who are especially vulnerable to being engaged in or by the justice system, and the project should be tailored specifically to respond to their needs. Learn more at https://arts.ca.gov/grant_program/jump-starts/.
