

2021 Individual Artist Fellowships (INA) Grant Listings

The **Individual Artist Fellowships** program intends to recognize, uplift, and celebrate California artists. Fellowships will support artists from a broad spectrum of artistic practices, backgrounds, geographies and communities, whose work addresses themes including but not limited to race, diversity, equity, inclusion, and accessibility. In doing so, the CAC will showcase the centrality of artists' leadership in generating social impact and the evolution of our traditional and contemporary cultures.

This program will support artists, 18 years of age and older, at key moments in their careers, elevating their capacity for continued contribution to the field and our state. The grant program identifies three career tiers at which artists may benefit from this support:

- **CAC Emerging Artist Fellows – \$5,000 per award** (95 artists supported)
Artists with between two and four years of artistic practice.
- **CAC Established Artist Fellows – \$10,000 per award** (66 artists supported)
Artists with between four and 10 years of artistic practice.
- **CAC Legacy Artist Fellows – \$50,000 per award** (21 artists supported)
Well-established artists with 10 or more years of artistic practice.

Individuals may submit an application in one career tier only. Learn more at https://arts.ca.gov/grant_program/individual-artists-fellowship/.
