Background & Purpose

The California Arts Council's policies and practices prioritize racial equity and have a broad geographic reach into communities of all sizes and needs, and this includes a commitment to support a network of arts service organizations that provide practical resources for the communities they serve. Statewide and Regional Networks grantees continue to provide timely and adaptive services which respond to the needs of culturally specific and geographically diverse communities.

The **Statewide and Regional Networks (SRN)** program intends to contribute to the health and vitality of the creative workforce in California by creating a resilient network of arts service organizations and artists.

An arts service organization is defined as an organization that furthers the interests of artists, creators, tradition bearers, and arts and cultural organizations. They also provide specialized, practical services for artists, arts organizations, and cultural communities.

Program Requirements

- Arts service organizations must provide practical services for artists, creators, tradition bearers, and/or arts and cultural organizations.
- Constituent representation must be active, ongoing, effective, and relevant statewide or regional reach.
- Programs and/or services must provide engagement and access throughout all counties and/or municipalities identified within the statewide or regional network.
- Any state funds regranted through this program must be in compliance with the CAC's Grant Opportunity statement, included on page 11 of the appendix of this document.

Eligibility Requirements

- Applicants must be an arts service organization with statewide or regional reach.
 - An **arts service organization** is defined as a nonprofit or fiscally sponsored organization that furthers the interests of artists, creators, and tradition bearers. They also provide specialized, practical services for arts organizations and cultural communities. These organizations preserve, present, and promote specific cultural

practices, artistic disciplines, or creative initiatives. An arts service organization may operate a network. For specific information regarding networks, please see definition below.

- **Networks** are associations or groups of individuals or organizations with common interests, visions or organizational missions that work together to strengthen the collective group.
- **Regional reach** refers to programs and/or services having significant constituent representation in at least three counties, OR a county with a total population of over 3 million in multiple municipalities including San Diego, Los Angeles or Orange.
- **Statewide reach** refers to programs and/or services having significant constituent representation throughout California, including Northern, Central, and Southern, coastal, and inland regions.
- **First-time applicants to this program are highly encouraged to consult with the managing Arts Program Specialist prior to application submission.**
- CAC State-Local Partner grantees are not eligible for Statewide and Regional Networks support in the same fiscal year, with the exception of a State-Local Partner serving as a fiscal sponsor for a distinct network that is not supported through the State-Local Partners program.

Applicants must comply with the requirements below. All applications must include the listed items at the time of submission in order to be considered for funding.

- **California-based** - Documentation of having a principal place of business in California.
- **Arts programming** - Applicants must have a minimum two-year history of consistent engagement in arts programming and/or services prior to the application deadline.
- **501(c)(3) organization as applicant or fiscal sponsor** - Non-governmental (municipal, county, or tribal) applicant organizations must demonstrate proof of nonprofit status under section 501(c)(3) of the Internal Revenue Code, or section 23701d of the California Revenue and Taxation Code.
- **Fiscal sponsors** - An applicant organization without nonprofit status must use a California-based fiscal sponsor with a federal 501(c)(3) designation to apply for funding.
 - The fiscal sponsor will provide the fiscal oversight and administrative services needed to complete the grant.
 - A [Letter of Agreement](#) between the fiscal sponsor and the applicant organization must be signed by a representative from both parties and submitted with the application. A blank signature field will not be accepted. **If a grant is awarded, the fiscal sponsor becomes the legal contract holder with the California Arts Council.**
 - A fiscal sponsor change is not permissible during the Grant Activity Period, with rare exceptions.

- Fiscal sponsors must have a minimum two-year history of consistent engagement in arts programming and/or services prior to the application deadline. (Acting as a fiscal sponsor to arts and cultural organizations is considered an arts service.) See additional information on the use of [CAC fiscal sponsors](#).
- **Certificate of good standing** - Nonprofit organizations and fiscal sponsors (if applicable) must have “active status” with the California Secretary of State (SOS) showing evidence of “good standing” at the time of application. You can verify your organization’s status by conducting a search using the SOS online [Business Search](#) tool. An indication of “active” (versus “suspended,” “dissolved,” “cancelled,” etc.) confirms that your nonprofit corporation exists, is authorized to conduct business in the State of California, has met all licensing and corporation requirements, and has not received a suspension from the Franchise Tax Board.

Eligible Request Amounts

Applicant organizations can request up to \$50,000 for the grant period.

Statewide and Regional Networks Responsibilities

Statewide and Regional Networks grantees will be expected to:

- Attend CAC convening(s) (if applicable).
- Host virtual and/or in-person meetings for the CAC as needed when sufficient notice has been given.
- Participate, where feasible, in cooperative information gathering and programming when deemed to be mutually beneficial by both the CAC and the grantee.
- Promote CAC grant opportunities, workshops, and other resources and information to constituents in all counties and/or municipalities identified in the network.
- Participate in program evaluation (if applicable).

Funding Restrictions

- For organizations with total operating revenue above \$250,000, the sum of requests for CAC grants during the same year of funding cannot exceed 50% of the total operating revenue from the most recently completed fiscal year.
- State-Local Partners, Cultural Pathways, and Arts and Cultural Organization General Operating Relief applicants are not eligible for Statewide and Regional Networks support in the same fiscal year.

Matching Funds

This program requires a 1:1 match of award funds. If applying for multiple CAC grants in a single fiscal year, distinct matching funds must be identified within each application, if applicable. State funds cannot be used to meet the match. The status of each source must be specified as either projected, pending, or committed.

Matching funds can be met with any combination of in-kind and cash sources.

- **In-kind match** refers to goods or services rather than currency, and for which monetary value can be determined. The use of in-kind contributions to meet the CAC matching funds requirement acknowledges that some organizations may not have the financial capability to provide a 1:1 cash match but can demonstrate the capacity to carry out the activities in the grant application through other sources.
- **Cash match** sources include corporate or private contributions; municipal, county, or federal government funding; or earned income.

If utilizing the value of in-kind support to meet the match, keep in the mind the following:

- In-kind contributions may only be provided by third parties.
- A third party is defined as a service provider, partner, or supplier that is independent of the applicant organization and the CAC and is not compensated through grant funds.
- In-kind contributions may be in the form of space; pro bono consultancy, training, or services; supplies; and other expendable property that are given free of charge to the applicant.
- In-kind contributions by state entities are ineligible.
- In-kind contributions must be reflected as an expense in the grant application budget.

Click [here](#) for additional information on CAC in-kind contributions. If you have questions about in-kind contribution documentation or eligibility, please contact the designated staff prior to beginning your application (see Staff Assistance).

Purpose: The California Arts Council (CAC), a state agency, was established in January 1976 to encourage artistic awareness, participation, and expression; to help independent local groups develop their own arts programs; to promote employment of artists and those skilled in crafts in the public and private sector; and to enlist the aid of all state agencies in the task of ensuring the fullest expression of our artistic potential.

The Council: The appointed Council of the CAC consists of 11 members. The Governor appoints nine members, the assembly Speaker appoints one member, and the Senate President pro Tempore appoints one member. Council members serve without salary, elect their own officers, and meet throughout the state to encourage public attendance. This body sets policy and has final approval of CAC grants.

Native Land Acknowledgement: The California Arts Council stands in solidarity with all of California's Indigenous people. We acknowledge that our work takes place on the now occupied traditional lands of the Miwok, Maidu, and Nisenan people, who are the past, present, and future stewards of this place. We make this first step in our journey to develop relationships and cultural competencies to truly support native sovereignty.

Mission: Strengthening arts, culture, and creative expression as the tools to cultivate a better California for all.

Vision: A California where all people flourish with universal access to and participation in the arts.

Grant Opportunity: In alignment with our mission and vision, the CAC does not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in its internal operations or in its stewardship of public funds.

Racial Equity Statement: As California's state arts agency, the California Arts Council is committed to racial equity.

- We are committed to ensuring that every policy enacted reflects democratic principles of equity and justice.
- We understand that enacting policy in a just and equitable manner considers critical issues of implicit bias and discrimination that requires concerted and purposeful action.
- We believe that bringing together Council, staff and other partners with differing backgrounds and life experiences will enhance our ability to increase opportunities for all arts service organizations to succeed.
- Policies, programs, and activities will be administered to identify and avoid discrimination and barriers to access, and to avoid disproportionately high and adverse effects on communities of color.
- Accountability to our grantees is of central importance to us. We understand the significance of evaluating the impact of our policymaking on grantees over time and utilizing this evaluation in the development of new policy initiatives.
- We are committed to the just and equitable disbursement of resources.
- We will obtain the following information when relevant and appropriate in order to utilize data to evaluate the impact of our equity goals: population served and/or affected by race, color, national origin, and income level, which will include diverse communities

across the state such as: communities of color, racially and ethnically diverse individuals, tribal communities, immigrant and refugee communities, and communities that have principal languages other than English.

For the CAC, racial equity is a continual practice in listening, learning, and implementing. The CAC's Racial Equity Statement demonstrates a deeper commitment for us to do better for the field and our staff.

Funding: The CAC is a state agency, funded from the state's annual budget process and proceeds from the California Arts License Plate and the Keep Arts in Schools tax return voluntary contribution fund, supplemented by funds from the National Endowment for the Arts. Its grants are often matched by foundations, individuals, earned income, government agencies, in-kind contributions, or other organizations.

Information Access: Due to the Public Records and Open Meeting Acts, applications and their attachments are not confidential and may be requested by the media and/or public. Meeting dates and locations are posted at www.arts.ca.gov. Observers may attend but may not participate in, or in any way interfere with, Council meetings. Each meeting provides a designated time for public comment, although comments may be time-limited.

Grant Process: Applications are evaluated by panels of recognized field representatives who rank applications according to program criteria. The CAC staff provides information but not recommendations to the panel. The Council reviews panel recommendations before making final funding decisions. CAC staff is responsible for grant contract administration after Council approval. In dire or unexpected circumstances, the CAC reserves the right to make exceptions to any policy or procedure on a case-by-case basis.

Requirements: The CAC provides grant funding to individual artists and is mandated both by federal and state regulations to fund arts organizations that have proof of nonprofit status under sec. 501(c)(3) of the Internal Revenue Code (Fiscal Receivers are eligible in some programs), or under sec. 23701d of the California Revenue and Taxations Code, or entities that are a unit of government; and that comply with the Civil Rights Acts of 1964, as amended; sec. 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975; the Drug-Free Workplace Act of 1988; California Government Code secs. 11135-11139.5 (barring discrimination); the Fair Labor Standards Act, as defined by the Secretary of Labor in part 505 of title 29 of the Code of Federal Regulation; the Americans with Disabilities Act of 1990 ("ADA"); the Fair Employment and Housing Act; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

Ownership, Copyrights, Royalties, Credit: The CAC does not claim ownership, copyrights, royalties, or other claim to artwork produced as a result of a CAC grant. However, the CAC reserves the right to reproduce and use such material for official, noncommercial purpose, including but not limited to use on the CAC website, social media, and print materials. In addition, the CAC requires documentation of grants activity and appropriate credit for CAC partial support.
